

ShopEase Product Guide

Features, specs, setup and usage for the ShopEase range: Pulse X1 Earbuds, Vibe 20 Speaker, FitBand 5, PowerMax 20000, AirPure 300 and BrewMate Kettle. All products carry a 1 year warranty.

1. ShopEase Pulse X1 Wireless Earbuds

True wireless earbuds with active noise cancellation.

Model: SE-EB101 | Price: Rs. 2,499 | Warranty: 1 year

Specifications

Bluetooth: 5.3, range up to 10 m
Drivers: 10 mm dynamic
Battery: 8 h earbuds, 24 h with case (ANC off)
Charging: USB-C, 10 min gives 2 h playback
Noise cancellation: hybrid ANC, up to 25 dB
Water resistance: IPX5 (sweat and rain)
Weight: 4.5 g per earbud
In the box: earbuds, charging case, 3 ear tip sizes, USB-C cable, manual

Key Features

- Hybrid active noise cancellation
- Transparency mode to hear surroundings
- Touch controls on both earbuds
- Dual-mic noise reduction for calls
- Low-latency gaming mode (60 ms)
- Auto-pairing when the case is opened

Setup Instructions

1. Charge the case for 1.5 hours before first use.
2. Open the lid. The LED blinks white in pairing mode.
3. Turn on Bluetooth on your phone and select 'SE Pulse X1'.
4. Try the 3 ear tip sizes and keep the one that seals best.

How to Use, Care and Troubleshooting

Double-tap to play or pause. Triple-tap the right earbud to switch between ANC and Transparency. Wipe with a dry cloth. Do not charge when wet, and do not use for swimming.

Troubleshooting: One earbud silent? Put both in the case, close the lid for 10 seconds, and remove 'SE Pulse X1' from your phone's Bluetooth list before pairing again.

2. ShopEase Vibe 20 Bluetooth Speaker

Portable waterproof speaker with deep bass.

Model: SE-SP220 | Price: Rs. 3,299 | Warranty: 1 year

Specifications

Output: 20 W (2 x 10 W drivers + passive radiator)
Bluetooth: 5.2, range up to 15 m
Playtime: up to 12 h at 50% volume
Charging: USB-C, about 3 h for a full charge
Water and dust resistance: IP67
Inputs: Bluetooth, 3.5 mm AUX
Weight: 620 g
In the box: speaker, USB-C cable, carry strap, manual

Key Features

- 360 degree room-filling sound
- Pair two speakers for stereo (TWS)
- Built-in microphone for calls
- LED battery indicator
- Voice assistant button
- Rugged strap for hanging or carrying

Setup Instructions

1. Charge fully for about 3 hours. The LED turns green.
2. Press and hold the power button for 3 seconds until the light blinks blue.
3. Select 'SE Vibe 20' in your phone's Bluetooth settings.
4. For stereo, press the TWS button on both speakers.

How to Use, Care and Troubleshooting

Place on a flat surface and keep volume below 80% for long listening. After pool or beach use, rinse with fresh water, dry fully and close the port cover before charging.

Troubleshooting: Cannot pair? Hold power and volume-down for 5 seconds to reset, then delete the old pairing from your phone and connect again.

ShopEase Product Guide

3. ShopEase FitBand 5 Smart Band

Lightweight smart band for health and fitness tracking.

Model: SE-FB500 | Price: Rs. 2,999 | Warranty: 1 year

Specifications

Display: 1.47 inch AMOLED
Battery: up to 14 days typical use
Charging: magnetic dock, about 2 h
Water resistance: 5 ATM (swim safe)
Sensors: heart rate, SpO2, accelerometer
Connectivity: Bluetooth 5.1
Works with: Android 8+ and iOS 13+ via ShopEase Fit app
In the box: band, charging dock, manual

Key Features

- 24/7 heart rate monitoring
- SpO2 and sleep tracking
- 100+ sport modes
- Call and message notifications
- Find My Phone
- Interchangeable straps

Setup Instructions

1. Charge the band on its magnetic dock for 2 hours.
2. Install the ShopEase Fit app and create your profile.
3. Tap Add Device > FitBand 5 and scan the QR code on the band.
4. Allow notification and Bluetooth permissions in the app.

How to Use, Care and Troubleshooting

Wear it one finger-width above the wrist bone for accurate readings. Swipe up for notifications, choose a sport mode to start a workout, and sync the app daily. Avoid saunas and hot showers.

Troubleshooting: Not syncing? Turn Bluetooth off and on, check app permissions, and if needed remove and re-add the band in the ShopEase Fit app.

4. ShopEase PowerMax 20000 Power Bank

High-capacity power bank with 22.5 W fast charging.

Model: SE-PB200 | Price: Rs. 1,799 | Warranty: 1 year

Specifications

Capacity: 20,000 mAh (Li-polymer)
Maximum output: 22.5 W
Ports: 1 USB-C (input and output), 2 USB-A
Recharge: 18 W USB-C, about 6-7 h for full charge
Display: LED percentage indicator
Protection: over-charge, short-circuit, over-heat
Weight: 380 g
In the box: power bank, USB-C cable, manual

Key Features

- Charges up to 3 devices at once
- 22.5 W fast charging on supported phones
- Digital battery percentage display
- Low-current mode for earbuds and bands
- Flame-retardant casing
- Allowed in cabin baggage on flights

Setup Instructions

1. Charge the power bank with the USB-C cable for 6-7 hours until the display shows 100.
2. Connect your device cable to any output port.
3. Charging starts automatically. If not, press the button once.

How to Use, Care and Troubleshooting

Press the button twice for low-current mode. Use only undamaged cables. Keep away from heat above 45 degrees C. If stored for long, recharge it every 3 months. Carry in cabin baggage, not checked baggage.

Troubleshooting: Phone not charging? Try another port and cable, and make sure the display shows battery above 5%.

Applies to all ShopEase products

Warranty: 1 year manufacturer warranty from the invoice date; keep your invoice. Returns: within 7 days of delivery if unused and in original packaging. Delivery: free above Rs. 499, otherwise Rs. 49. Support: 1800-123-4567 or support@shopease.com, Monday to Saturday, 9 AM - 9 PM.

ShopEase Product Guide

5. ShopEase AirPure 300 Air Purifier

HEPA air purifier for bedrooms and living rooms.

Model: SE-AP300 | Price: Rs. 8,999 | Warranty: 1 year

Specifications

Filtration: pre-filter, H13 HEPA, activated carbon
CADR: 300 m3/h
Room coverage: up to 400 sq ft
Noise level: 28 dB (sleep) to 52 dB (high)
Power: 45 W, fan speeds Sleep, Low, Medium, High, Auto
Filter life: 6-8 months
In the box: purifier, HEPA filter, manual

Key Features

- Captures 99.97% of particles of 0.3 microns
- PM2.5 display with colour air-quality ring
- Auto mode adjusts the fan speed
- Sleep mode turns off display and lights
- Filter replacement reminder
- Child lock

Setup Instructions

1. Remove all packaging and plastic from the filter.
2. Insert the filter and close the back cover firmly.
3. Place on a flat surface, 30 cm away from walls.
4. Plug in, press power, and select Auto mode.

How to Use, Care and Troubleshooting

Keep doors and windows closed while running. Wash the pre-filter every 2 weeks and dry it fully before refitting. Replace the HEPA filter when the reminder lights up.

Troubleshooting: Reminder stays on after changing the filter? Hold the filter button for 3 seconds to reset it.

6. ShopEase BrewMate 1.5 L Electric Kettle

Fast-boil stainless steel kettle with auto shut-off.

Model: SE-EK150 | Price: Rs. 1,299 | Warranty: 1 year

Specifications

Capacity: 1.5 L
Power: 1500 W
Body: 304 stainless steel, BPA-free lid
Boil time: about 5 minutes for 1 L
Safety: auto shut-off and boil-dry protection
Base: 360 degree swivel with cord storage
In the box: kettle, power base, manual

Key Features

- One-touch operation
- Auto shut-off when water boils
- Boil-dry protection
- Cool-touch handle
- Water level window with MIN and MAX
- Easy-open wide mouth lid

Setup Instructions

1. Rinse the inside with clean water.
2. Boil one full kettle of water and discard it before first use.
3. Place the base on a dry, flat surface and plug in.

How to Use, Care and Troubleshooting

Fill between MIN and MAX, close the lid and press the switch. Descale monthly using water with citric acid or vinegar. Never immerse the kettle base in water.

Troubleshooting: Switches off early? Descale the kettle and make sure the lid is fully closed.
